Review of Nutrition Policy for Nigeria and integration with thematic issues of Economic and Technical Cooperation in the developing Countries

Author VICTORIA TAIWO OBASAJU-AYO – FAO, UNDP. FGN expert . UNU fellow

#### ABSTRACT

Background: Nutrition policy for Nigeria was prepared with limited institutional integration and capacity building necessitating a review and comparative analysis. In 2010 when I was in National Institute for Policy and Strategic Studies to prepare framework for coordination. Monitoring and evaluation, I was privilege to review policies implemented during Obasanjo regime and worked extensively on the Nutrition Policy for Nigeria and concept note from West Africa Health Organization. Paper will be presented for critical analysis
